Job Description

Senior Social Media Manager

Salary: £45,000

Full time/37.5 hours

Start date: February 2024

Location: Boob HQ, London (hybrid working)

About the role

We are looking for a creative and strategic individual to join our marketing team at CoppaFeel! – this role will play an essential part in supporting our 3-year organisational growth strategy. This is an incredibly exciting time to join the marketing team at CoppaFeel!, with ambitious plans happening in 2024. We are seeking a social media expert to lead on CoppaFeel!'s social strategy. The Senior Social Media Manager is a new role that will help to ensure CoppaFeel!'s social channels are best in class and resonate with our 18 – 24-year-old target audience. The successful candidate will be insight driven, creative, strategic, and possess a deep understanding of social media platforms as well as being fully immersed in youth culture and digital trends. You will be experienced in managing and growing social channels via paid and organic content.

Reporting into the Head of Marketing, you will manage the social team and be an integral role within the marketing team. This is a great opportunity for an experienced social media professional who is confident in overseeing the delivery of content that will help us to achieve our ambition of reaching 50% more 18 – 24-year-olds in the next three years. You will work collaboratively with the wider Marketing, Fundraising, Operations and Education teams within the organisation.

The right candidate will be proactive, innovative, have strong communication skills, and a real desire to make a difference, ensuring that all breast cancers are diagnosed early.

About CoppaFeel!

CoppaFeel! is the UK's only breast cancer charity awareness charity for young people. that checking your chest regularly could save your life. Our mission is to ensure all breast cancers are diagnosed early and accurately by educating young people on the signs and symptoms of breast cancer, encouraging them to check and empowering them to speak to their GP if they notice something unusual.
