Create your own cake labels

Creating your own CoppaFeel! cake labels couldn't be simpler. Just cut out each label, fold in half along the dotted line, and your labels are ready to go! You can use the blank side to write down the name of each cake, and include the price and any allergy information too.

Create your own cake flags

Add some extra decoration to your bakes with these little flags. Simply cut out each flag, wrap them around a cocktail stick, and glue the backs together. Now your flags are ready to adorn your delicious treats and help you raise life-saving funds for CoppaFeel!.
