## How to play:

- 1) Choose a theme for your sweepstake. It can be anything you want, from the winner of a TV show, the outcome of a sporting event, the weight of an object (e.g. a pair of melons) or the name of a friend's newest family member (babies and pets are equally good options here).
- 2) Ask your friends, family and colleagues to make their predictions. The cost of each guess is up to you, but make sure no donation is necessary to make a guess.
- 3) Choose a prize. We'd recommend asking local businesses to donate a product or give you a discount to buy a prize, or encourage your friends to donate unwanted but valuable items towards your fundraiser.
- 4) Keep track of people's guesses using this sheet. The closest guess wins.
- 5) Pay in your fundraising. You can either get people to make their donation directly to your fundraising page, or ask for cash donations. If you're collecting cash, you can read more about paying in your fundraising here: [coppafeel.org/pay-in-fundraising/](https://coppafeel.org/pay-in-fundraising/)
