

Can you guess my time?

Guess how long it will take me to cross the finish line, raise money for CoppaFeel! and help to ensure all breast cancers in young people are diagnosed early and accurately.

To make your guess, please consider donating towards my fundraiser.

Suggested donation

The winner will receive

How to play:

- 1) Ask your friends, family and colleagues to guess how long it will take you to complete your challenge. The cost of each guess is up to you, but make sure no donation is necessary to make a guess.
- 2) Choose a prize. We'd recommend asking local businesses to donate a product or give you a discount to buy a prize, or encourage your friends to donate unwanted but valuable items towards your fundraiser.
- 3) Keep track of people's guesses using this sheet. The closest guess wins.
- 4) Pay in your fundraising. You can either get people to make their donation directly to your fundraising page, or ask for cash donations. If you're collecting cash, you can read more about paying in your fundraising here: coppafeel.org/pay-in-fundraising/
