## How to play:

- 1) Choose a theme for your wedding sweepstake. It can be anything you want, from the length of the speeches, the song you choose for your first dance, who will cry first, or the number of times the word 'love' is mentioned during the speeches.
- 2) Ask your guests to make their predictions. The cost of each guess is up to you, but make sure no donation is necessary to make a guess.
- 3) Choose a prize. We'd recommend asking local businesses to donate a product or give you a discount to buy a prize, or encourage your friends to donate unwanted but valuable items towards your fundraiser.
- 4) Keep track of people's guesses using this sheet. The closest guess wins.
- 5) Pay in your fundraising. You can either get people to make their donation directly to your fundraising page, or ask for cash donations. If you're collecting cash, you can read more about paying in your fundraising here: [coppafeel.org/pay-in-fundraising/](http://coppafeel.org/pay-in-fundraising/)
